

Attorney Docket No.: 02CON382P-CIP
Application Serial No.: 10/655,698

REMARKS

This amendment and response supplements the amendment and response of July 30, 2008 to the *Non-Final* Office Action of July 10, 2008. By the present amendment, applicant has amended claim 8 to correct a clerical error. Applicant notes that, due to a clerical error, the words "being no earlier than a difference between an encoder processing time of said picture and an encoder processing time of a previous picture" were duplicated in claim 8 during the amendment and response of July 30, 2008. By this supplemental amendment, applicant respectfully requests that the words "being no earlier than a difference between an encoder processing time of said picture and an encoder processing time of a previous picture" be deleted from claim 8.

After the present amendment, claims 1-30 remain pending in the present application. Reconsideration and allowance of outstanding claims 1-30 in view of the above amendments and following remarks are requested.

Respectfully Submitted,
